

SLIDE BRACELET CLASPS

Additional clasp designs available. Most slide designs we can also create as clasps.

4mm Heavy Wall Round
Beads (set of 2)

HWB42

4mm Heavy Wall Filled
Round Beads (set of 2)

HWFB42

Beads

The HWFB42 beads contain polyurethane filling and snugly fit on the slide bracelet chain. They are perfect for holding a slide in place without having to cork the slide. They can also be used on the Chameleon Cuff slide bracelet.

Both types of beads are available in 14 karat yellow gold, 14 karat white gold, and sterling silver.
